

Providing Alcohol to Minors (Under 21) is ILLEGAL

***Fines are up to \$2000
and/or up to one year
in jail and you may
be charged with a
felony if death or
injury results.***

It's not your call - It's the LAW!

Supported By:

Maine Office of Substance Abuse (DHHS), Department of Public Safety
and U.S. OJJDP. For more information on underage drinking
prevention, call the Office of Substance Abuse
